PROFESSIONAL EXPERIENCE:

Assistant Data Analyst

Binghamton, NY

AI and Workforce Reductions Research Project

August 2025 – Present

- Monitor three layoff trackers to identify potential AI or automation-level layoffs by compiling statements in Word documents and maintaining a shared Excel spreadsheet to ensure consistency and completeness of data
- Locate and save hundreds of executive communications and record case details such as company name, date, sector, number of affected employees, and source of information to enable a more in-depth analysis of each record

Content and Marketing Analyst

New York, NY

Jomboy Media

May 2025 – August 2025

- Researched topics and supported the content and production teams by analyzing engagement metrics to improve content effectiveness and reach by over 20% over three months
- Developed creative content strategies through the repurposing of past content for increased audience publicity and engagement, aligning marketing initiatives and data-driven insights with the company mission

Social Media Analyst

Baltimore, MD

NCSY Camp Sports

May 2024 – August 2024

- Managed Instagram account with 5-10 daily story posts, a daily post, and 3-5 weekly reels, immersing parents in the camp experience
- Cultivated audience engagement by showcasing camp activities and events, leading to an increase in follower count by 10%

LEADERSHIP EXPERIENCE:

Lead Video Production Analyst

Binghamton, NY

Harpur Edge

August 2024 – Present

- Facilitate strategic planning sessions with the video and marketing teams, providing detailed project outlines and progress reports, improved team communication and alignment on key priorities for 15+ marketing initiatives
- Increase student engagement by creating 50+ promotional videos highlighting career services and campus events, driving a strong increase in appointment bookings and student resource awareness

Religious Service Coordinator

Binghamton, NY

OU-JLIC of Binghamton University

January 2023 – Present

- Coordinate and plan weekly prayer services by recruiting and organizing volunteers to lead services, Torah readings, and sermons, ensuring a seamless and meaningful experience for the Orthodox Jewish community
- Prepare the community for services by scheduling service times, organizing seating, assigning honors to hundreds of community members, and recording important information in Excel spreadsheets to create a well-structured, organized, and welcoming environment
